TABERNACLE
Doing Life & Faith Together

OUR GOAL

As a Women's Network, our goal is to connect with women of all ages, help develop relationships with other women, and encourage growth in Jesus Christ.

PPT Women's Network aims to meet the needs of women in all stages of life. We encourage community involvement in all our events; so come out and invite a friend!

We desire that all women develop a passionate love for Jesus Christ and His Word.

OUR MINISTRIES

Community

Our ladies work to provide meals for families who are going through difficult times. We encourage community involvement in all our events.

Bible Studies

Weekly, Fall through Spring, we embark on a journey through Bible studies specifically aimed at women.

NEW! Ladies Wednesday Morning Bible Study

New this year to PPT Women's Network is Wednesday Morning Ladies' Bible Study. Evening studies can be a difficult commitment to make when you have young children or if you don't like to venture out in the evening. Maybe a daytime study is what you're looking for. Childcare will be provided for a donation which will go directly to the childcare providers. For more information see church bulletin or contact the church office.

Women's Network Events

Throughout the year our ladies enjoy gathering together for times of refreshing. These events encourage women of all ages and stages of life to connect. Let's develop authentic relationships—filled with laughter, built on faith and lived in love!
