A note from Danette

Dear Families,
God has given parents a high calling to take the commandments of Scripture and "Impress them on your children" (Deut. 6:6).
I believe this is done through active, daily involvement in your child's spiritual development, while being supported and loved by a community of faith. That is what we offer at Pembroke Pentecostal Tabernacle, and it is transforming our children into spiritual champions for Christ. We welcome you to join us and take part!

Nursery Ministry

10:30 am

Children from newborn to two years old are ministered to during every church service in our nursery. Our volunteer adult / youth nursery teams provide a safe, well-equipped and loving environment for each child! We believe you are never too young to go to church!

Jr. Church Ministries age 2-5

Children from 2-5 love the small group format offered during the Sunday morning services. Children learn while having fun through Bible teaching with the use of crafts, songs, memory verses, gospel illustration, and object lessons. With the use of specific teaching geared toward your toddler, they will come away with a foundational knowledge of who God is and that He loves them.

Kids Ministries Grades 1-6

K.I.D.S. Church meets each Sunday morning and is designed for children in grades 1-6! Each week we investigate the truth of God's Word through games, songs, memory verses and object lessons and discover how to walk with Jesus and following His example! Your child won't want to miss all the good things happening in KIDS Church. A great way to connect, meet new friends while learning how to live God's Word!
