IMPORTANT NOTICE

RE: Flu Season...See back page for information →

Important Notice

RE: Flu Season

Flu season can be a dangerous time of year for those with weakened immune systems. The local hospitals and long-term care facilities have made it clear that they do not want people visiting multiple residents in the same visit, as germs can be carried and passed. Someone may feel fine but still carry the flu virus and pass it to others.

As a precaution, our Visitation Team will not be visiting anyone in the hospitals, long-term care facilities, retirement homes or shut-ins who are in their own homes. This is for their protection as well as for the patients and residents.

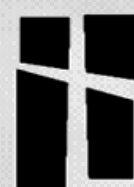

Until we are out of flu season, the Visitation Team will not be delivering the *Our Daily Bread* booklets, the *Testimony* or *Sage* magazines. You may stop by the church office during business hours to pick up literature and take it to your loved ones.

Our Pastoral Staff, however, are still available to do visitation and are here to serve. If you or a family member would like a visit, please call the church and let us know so arrangements can be made.

Thank you for your understanding for the foreseeable future.
