CORONAVIRUS UPDATE - See back page →

COVID-19 CORONAVIRUS UPDATE

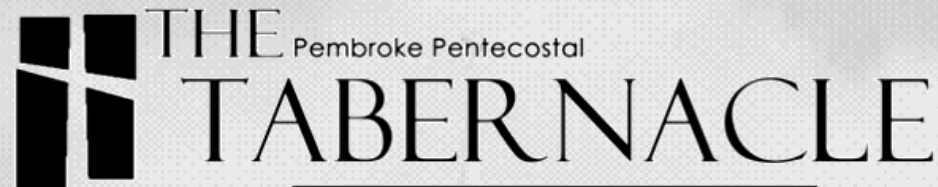

Someone tweeted this week – “I believe in prayer, I also believe in soap!” In response to the Novel Coronavirus outbreak, while we are people of hope, and should maintain an attitude of faith rather than fear, we also want to be prudent, and respect the recommendations of our Health authorities. Please note the following:

1. We are continuing with all present ministries unless advised to do otherwise.
2. We are continuing to ensure the cleanliness of our facilities, with extra vigilance of disinfecting surfaces (ie. Door handles etc.) after each event.
3. Hand sanitizing stations throughout the building are kept fully supplied.
4. We will respect advice, and greet each other with a smile or wave, rather than shaking hands.
5. Communion will be served in a hygienic manner.
6. If you are unwell please avoid public gatherings, and contact us so we can pray for you, and if appropriate, visit.
7. Please personally follow Health Canada guidelines.
8. Please pray for those affected by the virus, as well as health care providers and leaders as they respond.

As a precaution, our Visitation Team will not be visiting anyone in the hospitals, long-term care facilities, retirement homes or shut-ins who are in their own homes. This is for their protection as well as for the patients and residents. Until further notice, the Visitation Team will not be delivering the *Our Daily Bread* booklets, the *Testimony* or *Sage* magazines. You may stop by the church office during business hours to pick up literature and take it to your loved ones.
